

Effect of Forces on Objects

The Year 5 children were informed that the Super Skydiving Company are redesigning the parachute they use to allow people to perform skydives from aeroplanes and they want to make sure that the parachute they use allows their customers to fall from the aeroplane as slowly and safely as possible.

The children investigated a helpful effect of air resistance by finding the best design for their new parachute. They were told that the perfect parachute was the one that makes a person fall the slowest, and will cause air resistance to push it up with the biggest force. The children certainly had lots of fun testing their parachutes.

Forces and Magnets

On Monday 10th May, the Year 3 children planned an experiment to investigate the effects of friction on four different surfaces using a toy car. They were able to make sensible predictions, measure, record and explain their results.

International Day of Families

On Friday 14th May, Hewens Primary School celebrated International Day of Families. We hosted a special assembly in the quad to celebrate the diversity amongst our families. Families were invited to share their values and some special activities they participate in on a regular basis. They also shared some information about how they coped during the lockdown. It was amazing to hear of the various activities the children participated in outside of school and how well they are contributing to community development and their personal wellbeing. Thanks to all the families who participated. It was well received by the children and staff of Hewens Primary School.

Hewens Primary Invites you to

SCHOOL'S FOOTBALL WEEK

24TH - 28TH MAY

Fun football activities for pupils in
Key Stage 1 and Key Stage 2

- PENALTY SHOOTOUTS
- CROSSBAR CHALLENGES
- FOOTBALL TOURNAMENTS
- POSTER COMPETITION

VARIOUS PRIZES TO BE WON

YOU DO NOT WANT TO MISS OUT!

Schools' Football Week

Schools' Football Week is an English Schools Football Association (EFSA) initiative designed not only to highlight the huge scale of Schools' Football in England, but also to provide an opportunity for schools, teams and clubs from across the country to embrace schools' football and the wellbeing benefits it provides to pupils and players.

During the week commencing Monday 24th May, Hewens Primary School will be taking part in Schools' Football Week 2021. The children will be taking part in challenges such as Crossbar, Penalty Shoot and Poster competitions. The week will end in a School Football Tournament split into Key Stage 1 and Key Stage 2. Each child that is selected to take part in the Football Tournament will receive a letter as the child would need to wear their **School Physical Education (PE) Kit** on this day.

Please be aware that any child in the incorrect PE kit will not be able to take part.

National Share a Story Month

National Share-a-Story Month (NSSM) is an annual celebration of the power of storytelling and story sharing, providing a fantastic opportunity to bring children and stories together. The 2021 theme is 'Myths, Magic and Mayhem'.

MYTHS, MAGIC AND MAYHEM

Throughout the month, the teachers will read aloud stories to the children from different genres such as mysteries and adventures, magical tales and myths and legends.

Our aim is to ensure that children are introduced to different genres of stories and at the same time, foster a love for reading. We are encouraging our parents, guardians and carers to visit the local libraries with the children and read different books related to these genres.

Hillingdon Weekly Challenges

Hewens Primary School is taking part in the Summer Hillingdon Weekly Physical Challenges as the children had so much fun getting involved in the challenges last term. These challenges will allow children to get active, have fun, improve health, engage new audiences and increase motivation.

Mr Mono (PE Co-ordinator) will provide your teachers with a video of what you need to do each week. Your teachers will show this video in class which will be posted on our new YouTube channel. These challenges will be done in school and all scores will be recorded by your teachers by Thursday, the following week.

Please see the schedule below for all upcoming challenges.

- Week 4: Squat Jump – Friday 21st May

Click to view: (<https://youtu.be/gWDxAJH2UG8>)

- Week 5: Fast Feet – Friday 28th May

Pirates' Week - Year 1

On Monday 24th May, the children will be receiving a special visit from Pirate Ron. The children will take part in a full day based around pirates, from experimenting with storytelling and imagination through a puppet show, to exploring the basic elements of puppets through puppet making! To end the pirate-themed week, on Friday 28th May, the Year 1 children are invited to come in dressed up as a pirate. They will be delivering a special assembly which will be recorded and uploaded for you to watch on our YouTube channel.

Superhero Day - Reception

The Reception classes have been looking at Superheroes this half term and have learnt a lot about the difference between superheroes and real heroes. We therefore would like to end the term with a fun activity for the children. Friday 28th May will be celebrated as 'SUPERHERO DAY'. The children are invited to come in to school dressed in their favourite superhero costume.

Half Term

School will be closed from Monday 31st May to Friday 4th June for the Half Term holiday. We finish at the usual staggered times on Friday 28th May. School opens again on Monday 7th June at the normal staggered times. It is essential that your child arrives on time as lessons will begin promptly.
