

Adventures of the Lucky Ducklings

From the moment the children returned back to school on Monday 8th March, they have had an amazing time watching the eggs hatch into little ducklings. Throughout the whole two weeks, the ducklings got a visit from each class, where the children watched them play with their siblings and grow bigger and stronger each day.

Easter Fun!

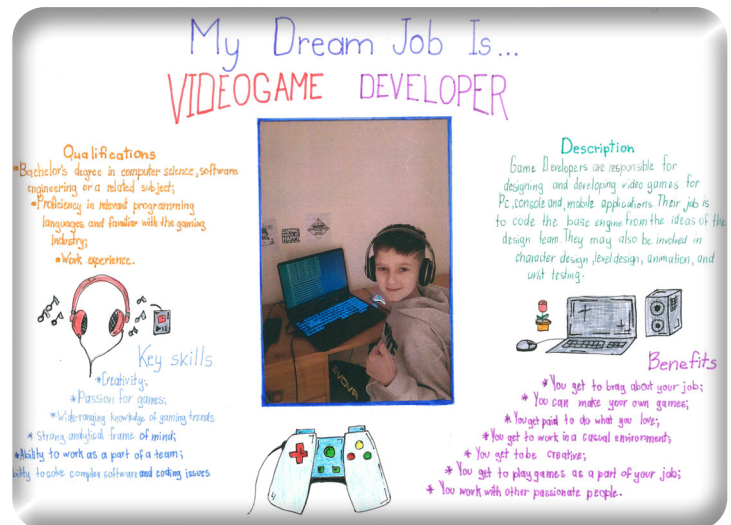

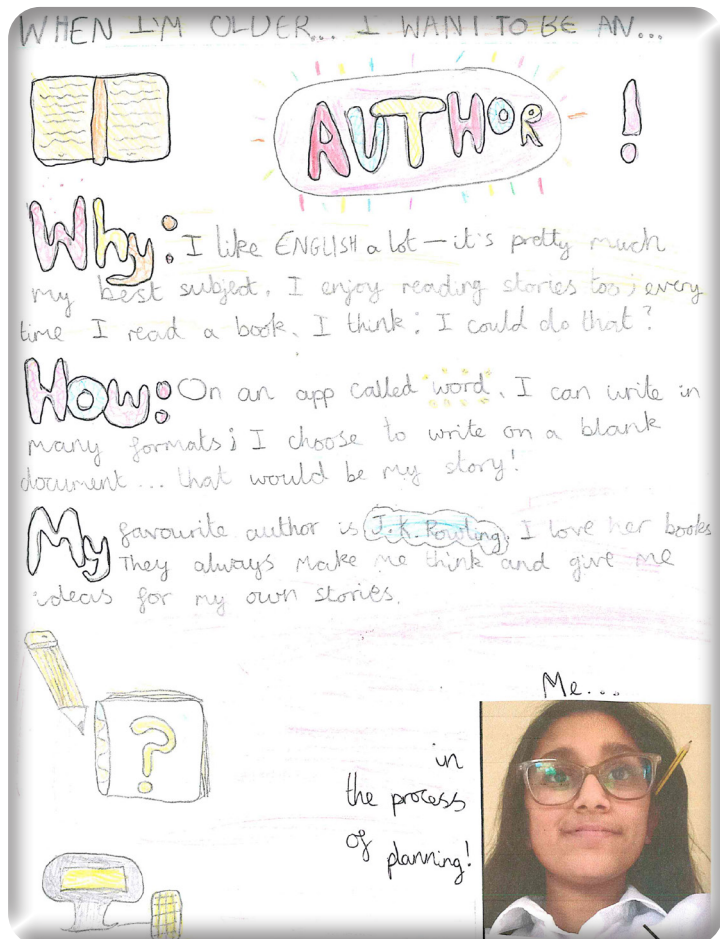

The children were excited to participate in various easter activities prior to going off on their well-deserved Easter break. They had lots of fun engaging in Easter Egg Hunts, Egg and Spoon as well as Wind-Up Rabbit races. This was quite an exhilarating way to end the term and keep the children happy in school.

Career Posters

Children across the School were challenged to create posters depicting their future careers. This gave all pupils an opportunity to think about what they want to be when they grow up and the subjects they need to achieve their career goals. Well done to all the children who participated from Reception to Year 6. These are some lovely and informative posters, indeed!

Hewens Young Writers

Our Year 3 pupils entered the Young Writers latest competition to submit poems inspired by their creative inventions of peculiar pets! They rose to the challenge magnificently which resulted in fifteen of our pupils' poems being chosen to be published in an anthology of creepy critters and amazing animals entitled 'Peculiar Pets – Creative Stars'. Congratulations to all the pupils who entered and showcased their creations and creative writing ability. Your poems are an inspiration! Sit back, relax and read...

Yashaswin and Buntu *by Yashaswin*

My pet's name is Buntu and it's an elephant,
He is stronger than me and taller than me,
He is so, so adorable and a bit lazy like me,
I play with him all day,
And make a mess to anger my mother,
My angry mother makes us sit around the naughty corner,
I love to hug Buntu, but he is bigger than me,
He lifts me with his trunk and hugs me,
Buntu loves sweets and I like sweets,
Because our taste is the same,
And we are friends forever and ever.

Me and Rambo's Day Out *by Kaiden*

Pets come in different shapes and sizes,
Some are fluffy, fat, big or small,
Some smell so fishy and some don't smell at all,
Some of them come from different parts of the world,
My dog Rambo comes from Canada,
And I can say he is definitely big and strong,
He is my action dog,
He runs so fast that he keeps me fit,
He makes me happy when I feel sick.

My Best Friend *by Laurentiu*

Always happy to see me,
Showers me with kisses,
That's how I know,
I'm the one he misses.

When I've had a bad day,
He doesn't ask why,
He just cuddles close,
In case I need a good cry.

We love goofing around,
And having fun at play,
We make time for that,
Every single day.

So it's hard to see,
Maybe you've guessed,
My dog is not just my friend,
He is the best!

Benson *by Daniel*

Benson is the best dog
Energy, Benson has so much energy
Nutty, Benson is sometimes a little crazy
Smelly, Benson needs a bath
Oppportunistic, Benson is always trying to steal my dinner
Never fails to make me smile.

The Dog: Crystal *by Jelcia*

The truth I do not stretch or shove,
When I state that the dog Crystal is full of love.
I've also found by an actual test,
A wet dog Crystal is the most lovingest.

Zigy Bigy, The Multicoloured Llama *by Riya*

My llama is called Zigy Bigy,
It is friends with a pink little piggy.
Zigy Bigy eats grass for brunch,
And eats dandelions and daisies for lunch.
Zigy Bigy is as colourful as a rainbow,
However, Zigy Bigy's face is as white as snow.
Zigy Bigy is my best friend,
And I will love her dearly until the end.

I Have a Pet *by Misha*

I have a cute, happy pet,
And it is super-duper wet.
Pets poo,
And aliens do too.
That's a pet,
It's happy and wet.
The sky is blue,
And so are you.
Kitty, that's a brick,
Not a sticky stick.
They sing.

My Dog is Milly *by Osheli*

My dog is Milly
She is a bit silly
She is black and white
But she is short in height
Sometimes she is lazy
And it makes me crazy
Her ears are tiny
They look very shiny
Milly is very clever
And I love her forever.

Pets United *by Manuel*

Scales are measured, pressures are checked,
Marvellous temperatures and colourful rosettes,
Fantastic ideas, my pet is talented,
It can jump and howl,
Yours can too, believe me wow!

Eclectic Edwin *by Naquiah*

Deep, deep down in the depths of a jungle,
Lived a delicate creature known as a mongrel.
He loved to dance and draw and dig,
He had this hair that looked like a wig.

With hopes one day he'd reach his fame,
But every day remained the same.
6 am, ding-dong, dawn had come,
"Today should be fun!"
The delicate creature sung.
Who loves to dance, draw and dig,
And shake his big hair that looks like a wig.

His name is Eclectic Edwin.

Buddy *by Ronnie*

Buddy is happy,
Buddy is playful,
Buddy loves to roll around underneath the table.

Buddy gets in a muddle,
Buddy loves a puddle,
But most of all Buddy loves a cuddle with me.

The Amazing Pet I Have *by Denisha*

The amazing pet I have is called Simba,
But he is not an ordinary pet.
We all have seen that birds can fly,
But have you ever wondered if lions can fly?
Because my lion can fly high in the sky.
His wings are bright yellow,
Like the light of the sun.
His mane is curly and orange,
And his teeth are sharp and white.
Simba is strong and different,
I love my peculiar pet.

Blaze, My Best Friend *by Mani*

My mischievous pet Blaze is an extraordinary creature of the
seas,
He leaps out off the water to bite the fruit trees.

He loves splashing about and diving from the highest cliffs,
Most people say he's just a legendary myth.

He slithers through the water with his floppy fins,
If he got into a bottle, he would make tornados of wind.
His most surprising secret is not known by all,
He only talks if you have a blue bouncy ball.

Walking Map

Hillingdon council have been working with Physicians Weight Loss Centers (PWLC) Projects to produce Walking Zone Maps for selected schools in the borough to encourage more sustainable travel, less congestion around schools, better air quality for schools, as well as promoting a better understanding of the schools' surrounding areas.

We have received our Walking Zone Map Polyboard, which will be going up very soon. We hope you like it and find it useful.

You can access the Walking Zone Map on the link below:

Parent Consultation Meetings

We would like to inform all parents, guardians and carers of the upcoming dates for Parent Consultation meetings in April 2021. Parent consultation will fall on **Monday 19th and Tuesday 20th April**. We will continue to offer virtual Parent Consultation appointments via your child's Microsoft Teams login. If your child has Special Educational Needs, you will be asked to meet the teacher face-to-face so that your child's Individual Education Plan (IEP) can be further discussed and signed and have the opportunity to look at your child's progress in their books. You should have received a letter with your allocated time slot and other relevant information.

School Uniform – Physical Education (PE) Kit

It has come to our attention that a small number of children are attending school without the correct Physical Education (PE) kit. Please note that PE is a compulsory activity that all children must take part in. To ensure the safety of children when on apparatus or outside, it is paramount that children wear the correct clothing. Therefore, in the best interest of your child's health and safety, please ensure they are wearing the correct uniform on their PE Days. The PE Kits consist of:

- PE Top – available via iPay
- PE Shorts – (available via iPay) or Plain Black Joggers
- PE Sweatshirt – available via iPay
- Black Plimsolls
