

## NSPCC Number Day

On Friday 5th February, the children across year groups participated in NSPCC Number Day under the theme '**Maths is Everywhere!**' Some children came into school wearing an item of clothing with numbers and calculations printed on it whilst others represented a 'walking calculator'. There were various activities planned and each year group focused on a different area in support of the theme.

**Nursery and Reception** sang number songs and number nursery rhymes. The children also participated in various free flow group activities which required them to investigate and play with numbers. One of the most engaging moments was watching them going fishing for numbers and matching number locks with the corresponding keys.

**Year 1** focused on '**Maths in Travel**'. They played a board game entitled 'Double Decker School Bus Ride' which involved simple additions. The children also discussed why numbers are on the buses, bus routes they know and the number bus they ride on whilst travelling to school.

**Year 2** explored '**Maths in Food**'. Their task was to make chocolate cupcakes. The children read a recipe and measured the ingredients whilst focusing on the weight and capacity using the correct maths vocabulary words.

**Year 3** looked at '**Maths in Money**'. The children who are learning remotely and face to face dressed up representing the British coins and notes. They solved various mathematical problems involving money to consolidate their learning since they had recently covered the topic. In the afternoon, they enjoyed an exciting game of Monopoly which involved the use of money.

**Year 4** explored '**Maths in Sport**'. The children had to complete various multiplication tasks then use their athletic skills such as running, jumping and throwing to compete against each other and win the games played.

**Year 5** investigated 'Maths in Weather'. The children looked at climate graphs for London and compared the weather to different countries of the world.

**Year 6** went on a journey in space with the aim of measuring time. The children went on a quest to explore different planets by working out the distance, speed and time travelled as they tried to get to Earth safely in groups named: Saturn Surfers, Mercury Martians, Venus Vikings and Cosmic Crusaders.

## Random Acts of Kindness Day

17th February  
2021

Too often we underestimate the power of a smile, a kind word, or simply just showing you care, all of which have the potential to turn a life around.

How have you been kind today?

## THE 20-20-20 RULE

to reduce the effect of digital eye strain

Take a break  
for 20  
seconds

Look at something  
20 feet away for  
20 seconds

Every 20  
minutes.

follow the 20-20-20 rule and give your eyes a break

## Clap and Catch Challenge

Last week, children got involved in Week 1 of the Hillingdon Weekly Challenges – Clap and Catch. We would like to say a huge well done to all the children who participated in the challenge and congratulate those who received Bronze, Silver and Gold.

Deborah - <b>PINE</b>	Ameer - <b>PINE</b>	Tommy - <b>PINE</b>	Riyad - <b>PINE</b>
Yahya - <b>OAK</b>	Ruqayya - <b>OAK</b>	Fahad - <b>OAK</b>	Amaan - <b>CHESTNUT</b>
Haroon - <b>OAK</b>	Sami - <b>OAK</b>	Hailey - <b>CHESTNUT</b>	Kelsey - <b>CHESTNUT</b>
Shukri - <b>HAWTHORN</b>	Zakir - <b>CHESTNUT</b>	Hameed - <b>OAK</b>	

After the first week of the Clap and Catch challenge, we are currently joint 4th place on the Hillingdon Virtual Challenge Leader board for percentage of pupil participation. **Come on children, let's all get involved and aim for 1st place!**

## Alliance Groups

At Hewens Primary, all children are placed in an alliance group which is a shared community to develop team building and competitive skills.

Our four alliances are named after famous persons and are associated with special colours, namely: **Aldrin** (Buzz Aldrin), represented by the colour blue, **Columbus** (Christopher Columbus), represented by the colour yellow, **Garrett Anderson** (Elizabeth Garrett Anderson), represented by the colour green and **MacArthur** (Dame Ellen MacArthur), represented by the colour red.

The table below shows the alliance points that will be awarded and how to earn them. Some rewards have a higher weighting than others and are therefore more valuable and harder to be awarded. These points will be awarded by teachers and other school staff when it is felt by them that they are deserving. It is our hope that the children remember that they are not just simply rewarded for what is expected of them, this is when they are going beyond. We do hope that this will motivate pupils to do their best at all times.

How to Earn Alliance Points	Alliance Points Awarded
Excellent Participation in Class	3 Points
Smart Uniform – dressed in full school uniform including Physical Education (PE) Kit	3 Points
Excellent Classwork – completed and moved on to challenge, extension tasks or extra for experts' activities	5 Points
Behaviour exhibits the 6Rs (being respectful, responsible, resourceful, resilient, rational and reflective)	5 Points
Positive Role Model	10 Points
Excellent Attendance and Punctuality	10 Points
Completed Homework Grids and Weekly Spelling Sentences	10 Points
Reading at home at least 4 days per week. Families or pupils write detailed comments in reading diary	12 Points
Star of the Week	15 Points
Competitions – for example Young Writers or any local, School or national competitions	15 Points
Headteacher's Award – a child who scores alliance points for all the areas mentioned above (1-10)	15 Points

## Free February Half Term Workshops for Pupils

Hillingdon are providing a series of free workshops for children and young people aged 8 to 19 over half term. You can find details and book places using the links below:

Visit (<https://trhat.co.uk/febworkshop21/>) to see what's on this February half term.

Visit (<https://trhat.co.uk/febworkshop21-form/>) to request a free place.

## Hillingdon Weekly Challenges

Hewens Primary School is currently taking part in Hillingdon Weekly Physical Challenges. These challenges will allow children to get active, have fun, improve health, engage new audiences and increase motivation. Mr Mono (**PE Co-ordinator**) will provide your teachers with a video of what you need to do each week. Your teachers will post this video within your class on Teams.

These challenges can be done at home or at school. All scores will need to be sent to your class teacher by Thursday, the following week.

Please see the schedule below for all upcoming challenges.

- Week 4: **Speed Bounce Challenge** - Friday 26th February
- Week 5: **Climbing the Mountain Challenge** - Friday 5th March
- Week 6: **Skipping Challenge** - Friday 12th March

Remember to check out our videos on **Twitter @hewensprimary**.

## School Reopening Arrangements

Please note, we will continue to follow the arrangements for the reopening of schools as advised by the government. As such, following the half term, attendance will continue to be restricted to vulnerable children and the children of key workers only. This will be kept under review to ensure the health and safety of all children and any updated arrangements will be communicated to you via the School website.

**Incredible Eggs**  
 Responsible Experienced Ethical

**Coming Soon!**  
 A truly unforgettable  
 10 day experience...

**We are going to hatch some ducklings!**  
 Our eggs arrive on: **Monday 8th March**  
 They will be hatching around: **Wednesday 10th March**  
 The ducklings will be leaving us on: **Thursday 18th March**
