

New Age Kurling

Last week, a selection of children from Key Stage Two were presented with the opportunity to attend a Hillingdon New Age Kurling Festival where they represented the school. New Age Kurling (NAK) is a modern take on the traditional game of curling and the objective of the game is for the players to get their kurling stones as close to the centre of the target as possible. The winning team is the team with the kurling stones closest to the centre after a series of rounds. Out of ten schools, we managed to place fifth. **Well done to all the children who represented the school!**

The return of Harrold!

Over the course of the week, the children in Nursery to Year 6 had a lovely visit from their old friend Harrold (our healthy-living giraffe mascot) and his many friends. The workshops were interactive, with children feeling empowered through the use of well-being strategies to ensure they can articulate their needs and feelings to make healthy choices.

We are going to hatch some ducklings!

Our eggs arrive on: **Tuesday 14th March**

They will be hatching around: **Thursday 16th March**

On Tuesday 14th March, we are expecting an egg-citing delivery of duckling eggs! The children can watch them hatch into tiny little ducklings, ready for Easter! This is a great opportunity for our children to witness the beginning of a duckling's life cycle, from an egg to a baby duckling. Can you guess how many eggs will hatch into boys and how many will hatch into girls?
