Sports Day

With clear skies and hardly any rain, Sports day saw over 450 children participate in activities ranging from the 50m sprint to the Egg and Spoon Race. During half time we were treated to a cheerleading performance by our charismatic cheerleaders, who spent only a term practising their routine. After the half time show, the children participated in year group races with finalists being crowned with medals. A highlight for most of the children were the parents, guardians and carers races! It was a joy to see so many step up and participate. Well done to all the children who participated in Sports Day. Moreover, thank you to all the parents, guardians and carers who came to support in full force. We look forward to hosting you next year!

Science Master class at Hewens College

Our Year 5 pupils had an enriching Science Masterclass at Hewens College. The pupils were exposed to a variety of engaging activities and experiments that deepened their understanding of scientific concepts. They actively participated in hands-on experiments, collaborated with peers and interacted with knowledge experts. This immersive experience sparked curiosity and excitement, igniting a passion for science within our young learners.

Uniform Orders

Parents, guardians and carers are advised to log in to iPayimpact and purchase their uniform for the new academic year before the Summer holiday break. This will ensure all children have their uniform before the first day back in September and avoid any delays with exchanges. If you are experiencing any issues with iPayimpact or you are not yet registered, please contact the School Office.
