Ducklings

From gentle cuddles to careful observations, our pupils immersed themselves in the world of these fluffy friends. Through this handson experience, our pupils fostered a deeper understanding of life cycles, animal behaviour, and the importance of compassion towards all living beings. It was a heartwarming sight to see our school community come together to support and nurture our feathered guests.

World Poetry and Water Day Performance

We were reminded of the importance of water conservation and the need to protect this precious resource for future generations. Through poetry, the pupils found a powerful way to express their gratitude for water and to raise awareness about its conservation. Let's continue to celebrate the beauty of poetry and the importance of water conservation in our daily lives. Together, we can make a difference.

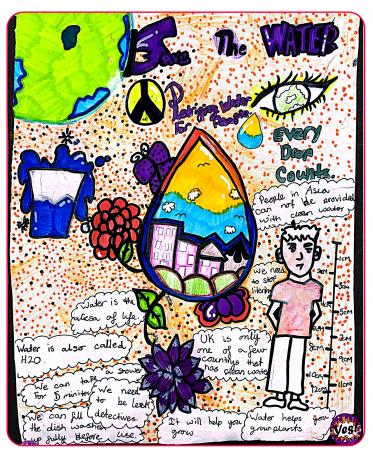

Poster Competition

Well done to all of those who took part in the World Water Day poster competition last week. This year, we were captivated by the use of colour and imagery to tell the story of 'Save the Water'! As a school, we continue to promote sustainable development by equipping our pupils with the necessary skill set to be active and responsible citizens. The overall winners are: Illia (Year 2) and Cherinah (Year 4). **Well done!**

In such circumstances, please contact the School Office and request a Leave of Absence Form, which must be completed and returned to the School Office prior to the absence. **Evidence is required to support the request.** You will be notified if your request is approved as soon as possible. If the absence is not approved but taken, it will be recorded as unauthorised. Parent Consultation

Parent consultation meetings will be held over a two-day period on Monday 15th and Tuesday 16th April. Parent consultation times have been sent out via letter this week. Please be assured that we have taken into consideration those who have more than one child and have given a similar time to accommodate these families on their assigned day. If this is not the case, please contact us via email and we will try to change this for you. If you are unable to accommodate a face-to-face parent consultation meeting, the teachers will make alternative arrangements via telephone conference.

Start of Term - Wednesday 17th April

Please be reminded that school commences on Wednesday 17th April and will start at the normal time of 8:35am. It is essential that your children arrive on time, as lessons will begin promptly. It is extremely important that every child makes a positive start to the new term!

Parent Internet Safety Workshop

On **Friday 19th April**, parents, guardians and carers of pupils in Years 1 to 6 are invited to attend a workshop, which will be led by the Metropolitan Police Services. This workshop will start at 9:00am in the Hall and will focus on Internet Safety. It will also give you the opportunity to ask any questions regarding any issues or concerns you may have. We hope to see you all there.

School Car Park

We would like to remind parents, guardians and carers, that the car park on the Hewens Primary and Hewens College sites are for the use of staff only. Use of this area for parking or turning any other vehicles around is strictly prohibited. This restriction is in place in order to minimise the risk of an accident involving children accessing and egressing the School. We thank you in advance for your cooperation in this matter.
