

Year 6 Residential

Our Year 6 pupils recently returned from an exciting residential trip to Kingswood. The children had an incredible time participating in a variety of activities, including abseiling, rock climbing, archery, low ropes, fire lighting, shelter building, and enjoying a campfire. This trip provided an excellent opportunity for our pupils to develop their teamwork, resilience, and outdoor skills in a fun and supportive environment. We are proud of their enthusiasm and achievements throughout the period.

Hewens Got Talent

We are excited to announce the success of our recent "Hewens Got Talent" festival held at the school. The event was a vibrant celebration of song, dance, musical instruments, and poetry, showcasing the incredible talents of our pupils. From captivating dance performances to heartfelt poetry readings, and from melodious musical renditions to powerful vocal displays, the afternoon was filled with remarkable moments. Our pupils' creativity and dedication shone brightly, making the showcase an unforgettable experience for the school community.

TIMES TABLES ROCK STARS

Maths Week London is all about building children's confidence, nurturing a love of Mathematics and sparking an interest in a subject that impacts all of our lives, every day and beyond the classroom. This year, we want to highlight why Mathematics is important to engage with from a young age. We want to show how making Mathematics relevant can also make it fun and how it can enable success in all areas of everyday life. We have entered the children in Years 1 to 6 into an online competition on Times Tables Rock Stars for Maths Week London from Tuesday 25th to Thursday 27th June. This competition promotes Maths Week in London and is a fun, exciting way for children to practise their Mathematics. For more information, please click on the link (<https://trockstars.com/events/events-online/>).

Return of Library Visit

Over the next three weeks, we have scheduled Class visits to our local Library, Hayes End Library. During the Library visit, your child will register for the Summer Reading Challenge (if they wish and meet the criteria), borrow a book of their choice, receive a core pack and events calendar. Get your child registered today by completing the application form, which is available at the School Office.

Topic Workshops

Next week, the children in Year 6 will take part in an interactive topic workshop. The workshop is held to inspire an interest in the topic they have learnt. Most importantly, the children will garner first-hand experience about the topic through storytelling and drama.

Please ensure that your child does not miss out on this engaging learning experience!
