

Laser Tag

Last week, our Year 6 pupils had a fantastic time during an exhilarating morning of lasertag, complete with an array of inflatable obstacles. Armed with laser blasters, the pupils navigated through the blow-up obstacles. Their laughter and strategic whispers filled the air as they teamed up to outmanoeuvre opponents. The session was a perfect blend of excitement, teamwork, and friendly competition, with pupils showcasing excellent communication and problem-solving skills.

Coding Lessons

We are delighted to announce that our Year 5 pupils have completed a 10-session Coding course, generously supported by The Apex Project and Parkside Studio College. This initiative has provided our pupils with a valuable opportunity to develop their programming skills and foster a passion for technology. We are incredibly proud of their dedication and achievements throughout the course. A special thanks to The Apex Project and Parkside Studio College for making this enriching experience possible. Well done to all our Year 5 coders!

Hobbledown Heath

The children in reception had a wonderful day learning and playing at Hobbledown Heath in Hounslow.

We began by exploring the wide variety of animals that live there. There was so much to see! The children had an up-close and interactive session with the reindeer. They learnt about their feeding habits, how their antlers grow, and how they prefer to interact with people - they enjoy calm and quiet interactions, shhhh! Finally, they enjoyed all sorts of physical coordination such as climbing, crawling, bouncing, swinging and running. It was a memorable experience for all pupils and staff!

Sleeping Beauty Production

Our school recently hosted a spectacular production of "Sleeping Beauty - with a Twist". The performance was a resounding success, showcasing the incredible talent and creativity of our pupils. We would like to extend our heartfelt congratulations to all the performers, directors, and support staff who made this event unforgettable. Thank you to everyone who attended and supported our school's artistic endeavours!

School Reports and Other Information

Please note that all children have been given their school reports, parent consultation time and other important information. If your child was not in school during the last week, this information will be sent to you via post.

This will be the final payment from the current Household Support Grant (HSF5), there are no further payments scheduled after the school summer holidays 2024.

Parent Consultation Meetings for September

Parent consultation meetings will be held over a two-day period for the new academic year – Monday 2nd and Tuesday 3rd September. Parent consultation times can be found on the letter sent out with the end of year reports. Please be assured that we have taken into consideration those who have more than one child and have given a similar time to accommodate these families on their assigned day. If this is not the case, please contact us via email and we will try to change this for you.

If you are unable to accommodate a face-to-face parent consultation meeting, the teachers will make alternative arrangements via telephone conference.
