Black History Month – October

Black History Month is the annual celebration and commemoration of moments in history, achievements and contributions that Black people have made. First brought to the UK in the 1980s, Black History Month was initially introduced to the country by a member of the Greater London Council, Akyaba Addai Sebo. Since 1987, Black History Month has been celebrated annually in the UK, to eradicate discrimination and encourage racial equality. At Hewens Primary School, we will be honouring the contributions made to society by people of Black heritage and their communities. On 7th October, we will host a special celebration assembly in the morning to commemorate Black History Month.
