

Black History Month

As we observe Black History Month this October, we reflect on the invaluable contributions of Black communities to our society, culture, and history. This year's theme, Reclaiming Narratives, emphasises the importance of telling and amplifying stories that have been overlooked or marginalised for too long. Throughout this month, our school will highlight the rich history, resilience, and achievements of Black individuals, while also encouraging pupils to engage critically with the narratives they encounter. We will focus on ensuring that pupils understand the significance of diverse perspectives and the power of reclaiming one's own story.

Clever Never Goes – Stranger Danger

Last week, the Metropolitan Police visited our school to deliver an important presentation to Year 3 pupils on the topic of 'Stranger Danger'. The engaging session aimed to educate our young learners on how to stay safe and make wise choices when approached by strangers. Key points included recognising safe adults, understanding what to do in potentially dangerous situations, and the importance of always telling a trusted adult where they are going. We encourage parents, guardians and carers to discuss these vital safety tips with their children at home.

Safety Notice for Parents, Guardians and Carers

We kindly request all parents, guardians and carers to avoid driving on the sidewalk adjacent to the school and to refrain from performing three-point turns in front of the school gate. These actions create safety hazards for our pupils, staff, and other pedestrians. For the safety of everyone, please use designated parking areas and drive with caution in the vicinity of the school. Let's work together to keep our school environment safe and secure. We thank you in advance for your cooperation in this matter.

Asthma Advisory Notice

The Hillingdon Champions of Asthma Team have requested we advise parents, guardians and carers of children who suffer from asthma to ensure their children take their preventative inhaler regularly every day, even if well. This advisory has been published as this time of year normally proves to be the most troublesome time for asthmatics.

Enrichment Clubs - Autumn Term

Our Autumn Term enrichment clubs have now begun and will until Wednesday 27th and Thursday 28th November. All clubs will be held on Wednesdays and Thursdays each week and will run straight after dismissal **until 4:15pm**. If you are unsure about which group your child is in, please contact the School Office or speak with the class teacher.

Black History Month – October

Black History Month is the annual celebration and commemoration of moments in history, achievements and contributions that Black people have made.

First brought to the UK in the 1980s, Black History Month was initially introduced to the country by a member of the Greater London Council, Akyaaba Addai Sebo. Since 1987, Black History Month has been celebrated annually in the UK, to eradicate discrimination and encourage racial equality.

At Hewens Primary School, we will be honouring the contributions made to society by people of Black heritage and their communities.

PANTS Awareness Week

We are pleased to announce that from 14th to 18th October 2024, we will be taking part in **PANTS Awareness Week**, a campaign aimed at teaching children how to stay safe from abuse in a simple, child-friendly way.

The PANTS campaign, developed by the NSPCC, uses the **PANTS** acronym to help children understand key safety messages:

P – Privates are private.

A – Always remember your body belongs to you.

N – No means no.

T – Talk about secrets that upset you.

S – Speak up, someone can help.

Throughout the week, we will be engaging in age-appropriate activities and discussions designed to empower children, helping them understand the importance of speaking up if something doesn't feel right. Resources, including the well-known Pantosaurus character, will be used to make these important conversations both engaging and accessible.

We encourage parents and carers to join in by discussing these messages at home, reinforcing the importance of body safety. Together, we can help create a safer environment for our children. For more information about PANTS or advice on how to discuss these topics with your child, please visit the NSPCC website.

Year 6 SATs Practice Papers

We would like to remind parents, guardians and carers, that children in Year 6 will sit their practice SATs paper during the week commencing Monday 14th October.

It is also extremely important that they attend school every day. Please also remember that a good breakfast is always an essential meal for children before school, particularly when they are sitting tests.

Research has shown that children who eat a healthy breakfast have improved alertness, concentration, mental performance, mood and memory. We wish all our children every success in their tests!

Early Essence Training – Parent Workshop

Parents, guardians and carers of children in Nursery and Reception are invited to an Early Essence Training Workshop on **Wednesday 16th October for Nursery Parents, Guardians and Carers and Thursday 17th October for Reception Parents, Guardians and Carers.**

All workshops will take place at **8:50am** in the Computer Suite.
