

Year 6 PGL Residential Trip

From Wednesday 11th to Friday 13th June 2025, our Year 6 pupils embarked on an unforgettable residential adventure at PGL Marchants Hill in Surrey – and what a fantastic time they had!

Over the course of three action-packed days, the children took part in a wide variety of exciting outdoor activities designed to challenge them physically, mentally and socially. These included raft building (and rowing their own handmade vessels), survival skills, rock climbing, orienteering, archery, the exhilarating giant swing, aeroball competitions, and climbing Jacob's Ladder – a true test of balance and teamwork. Each activity provided opportunities for pupils to develop confidence, resilience and communication skills, while also having plenty of fun. They worked brilliantly in teams, encouraged one another, and tackled new experiences with courage and determination.

Pupils returned tired but full of stories, laughter, and pride – having made memories that will last a lifetime. Well done Year 6 – you represented our school brilliantly and we are all so proud of you!

Maths Week London

Maths Week London is all about building children's confidence, nurturing a love of Mathematics and sparking an interest in a subject that impacts all of our lives, every day and beyond the classroom. This year, we want to highlight creative and hands-on ways to tackle problems, explore different approaches to problem-solving, and see how Maths is all around us – from the classroom to the real world. We have entered the children in Years 1 to 6 into an online competition on Times Tables Rock Stars for Maths Week London from Tuesday 24th to Thursday 26th June. This competition promotes Maths Week in London and is a fun, exciting way for children to practise their Mathematics.
