

The Look Out Discovery Centre

Last week, the Year 3 children visited the Look Out Discovery Centre in Bracknell. The children thoroughly enjoyed the trip as it involved a hands-on approach to science with over 90 activities for the children to explore! Apart from exploring, the children also had the opportunity to view a Fire and Light show. The show reinforced the children's understanding of the different sources of light on our planet. Furthermore, the show also taught the children about fire and how chemicals can react with each other.
