National Fitness Day

National Fitness Day took place on Wednesday 21st September with the main aim of highlighting the importance of physical activity, and how it can help lead us to healthier lifestyles. At 10:00am the children were required to perform physical activity for 10 minutes! Last year, 11.4 million children across the UK participated in this event. Let's hope there are more this year!

Black History Month – October 2022

Black History Month is the annual celebration and commemoration of moments in history, achievements and contributions that Black people have made. First brought to the UK in the 1980s,

Black History Month was initially introduced to the country by a member of the Greater London Council, Akyaaba Addai Sebo. Since 1987, Black History Month has been celebrated annually in the UK, to eradicate discrimination and encourage racial equality.

At Hewens Primary School, we will be honouring the contributions made to society by people of Black heritage and their communities. On Friday 21st October, we will host a special celebration assembly at 2:00pm in the Quad Area to commemorate Black History Month.

Fun Clubs Begin

From the week commencing Monday 3rd October, we will be starting our Fun Clubs again. All clubs will be held on Wednesdays and Thursdays each week and will run until Wednesday 30th November and Thursday 1st December. Your child should have given you a letter with the choice of clubs for you to complete and return to the School Office. Please note we have designed a system of two groups for sports club only. Below highlights the dates each group will run over the course of the autumn term.

Group One: Thursday 6th October 2022 till Thursday 3rd November 2022

Group Two: Thursday 10th November 2022 till Thursday 1st December 2022

If you are unsure about which group your child is in, please contact the school office.

#AskAboutAsthma campaign

Do you know about the four asks to manage asthma?

With the right care every child or young person with asthma can live a full, active life:

1. Get an asthma action plan in place
2. Understand how to use inhalers correctly
3. Schedule an asthma review – every year and after every attack
4. Ask about the impact of outdoor and indoor air pollution

Join us for **#AskAboutAsthma** from 3 - 9 October 2022 to access asthma care advice through podcasts, webinars, blogs and more:

[healthylondon.org/ask-about-asthma](https://www.healthylondon.org/ask-about-asthma)

Did you know that children and young people with asthma should have an asthma action plan to help manage their condition?

This is one of four **#AskAboutAsthma** asks which we want every Londoner to be aware of:

1. Get an asthma action plan in place
2. Understand how to use inhalers correctly
3. Schedule an asthma review – every year and after every attack
4. Consider air pollution and its impact on lung health

Together we can raise awareness around **#healthinequalities** and how to address them so every child and teenager has the right asthma care in place and go on to live a full, active life.

We are proud to support **#AskAboutAsthma**. Find out more about the 2022 campaign at (www.healthylondon.org/ask-about-asthma).
