

NSPCC Number Day

On Friday 6th February 2026, pupils across the school took part in NSPCC Number Day - a wonderful event that combined maths fun with fundraising for an important cause.

Our pupils embraced the activities with great enthusiasm, taking on number challenges, problem solving tasks, and interactive games that made maths both exciting and accessible. Beyond the enjoyment, we were proud to support the NSPCC and its vital services, including Childline.

Thank you for your generosity and for helping us make maths enjoyable while raising awareness for such a meaningful charity.

Fasting at Ramadan

As Ramadan has begun, we would like to make parents, guardians and carers aware, **only children in Year 6 are permitted to fast during school hours**. Based on our experience, fasting in younger year groups can have a detrimental impact on a child's overall performance.

Families wishing to support younger children in fasting may consider doing so at home over the weekend, allowing for closer supervision of their health and well-being. If you require any further information, please speak with a member of staff in the School Office.

Booster and Enrichment Clubs - Spring Term

Booster sessions and Enrichment Clubs will continue for the remainder of the Spring Term. If you are unsure of your child's session arrangements, please speak with the class teacher.

Enrichment clubs will be on either Wednesday or Thursday, depending on your chosen club. All clubs will finish at **4:15pm**.

Library Visits

Over the next month, Year 1 and Year 2 will begin their visits to Hayes End Library to take part in workshops. If your child does not currently have a library card and you would like them to have one, application forms are available at school office.

If your child already has a library card, please make sure they bring it on the day of their visit so they can borrow books to take home.

If you would not like your child to visit the library, kindly inform the School Office.

Fairtrade Fortnight - Year 6 Assembly

On Monday 2nd March, the Year 6 children will be hosting an assembly for their peers about Fairtrade. Fairtrade Fortnight takes place from Monday 2nd to Sunday 15th March.

They have been working on designing T-shirts to wear during the assembly to highlight key points on the topic.

Sparrowhawk Alliance

Incredible Eggs – Tuesday 3rd to Friday 13th March

Coming Soon!
A truly unforgettable
10 day experience...

We are going to hatch some ducklings!
Our eggs arrive on: **Tuesday 3rd March**
They will be hatching around: **Thursday 5th March**
The ducklings will be leaving us on: **Friday 13th March**

World Book Day – Themed Day

In celebration of World Book Day, all children have been invited to choose their favourite book and dress up for the day as a character from that book on **Thursday 5th March 2026**. We are encouraging all children to be creative and make their own costumes using old clothes or recyclable goods.

We respectfully request a donation on this day; all the money raised will go towards the funding of more books for our school library. We look forward to seeing our most-loved book characters come to life on this day!

British Science Week

Friday 6th to Sunday 15th March will be observed as British Science Week under the theme, 'Curiosity: What is your Question?'. Across the School, children will be guided to connect Science, Technology, Engineering and Mathematics (STEM) to the curriculum, as well as to their backgrounds, experiences, and interests.

In addition, there will be various school competitions, including Spelling Bees, Debates and Challenge Quizzes. Lots of awards, Alliance points and certificates to be won!
