British Science Week

Last week, the children across the School observed British Science Week, which focused on the theme, 'Growth'. It was an exciting week as they were seen engaged in a variety of activities such as: the Spelling Bee, a Science Quiz and a Debating Competition. These activities allowed the children to articulate their growth in knowledge of the Science topics they have learnt in their classes.

The children were also challenged to create a poster to highlight their understanding of 'Growth'. The week ended with a British Science Week Assembly where pupils from all phases demonstrated their knowledge of a specific Science topic through songs, poetry, role play and displays. Congratulations to all those who took part!

Caution when Walking!

Please can all parents, guardians and carers ensure that their children do not walk on the coping stones (flower bed wall) outside the School building at drop off and collection times. The coping stones tend to become loose over time and we want to avoid any potential injury to the children. Thank you for your cooperation.

Safeguarding our Children

Please can all parents, guardians and carers be mindful of the safeguarding aspects for drop off and collection times. It has been noted that children are being left unattended during these times at the School entrance. Please ensure you keep your child/ children with you at all times when outside the School court yard to avoid any incidents.

Music in Our Schools Month

March will be observed as Music in our Schools Month under the theme 'Celebrating Diverse Music Around the World'. Each year group will be treated to music from different genres to enjoy whilst having their lunch.

Music will also be incorporated in lessons throughout the month. We will end the month with a Music Festival/Easter Bonnet Parade on Thursday 31st March at 2:00pm in the Quad Area.

Book Fair

The Book Fair will be visiting Hewens Primary School from **Monday 21st to Monday 28th March** and will be located in the Library Area. We would like to invite all parents, guardians and carers to come and support this event.

Queen's Jubilee

As you may be aware, an extra bank holiday has been announced for Friday 3rd June 2022 to mark the Queen's Platinum Jubilee. The late May bank holiday has also been moved to Thursday 2nd June 2022. The DfE has therefore amended the Education (School Day and School Year) Regulations to reduce the school year 2021/22.

Schools not already on half term break on the day of the bank holiday will be able to close. For schools on half term at the time of the bank holiday, the additional day will be recognised meaning, **Tuesday 19th July 2022 will be the last day of the summer term.**
